March 2017

We are now looking forward to our annual Mothering Day Service which is more of a new venture this year with a newly designed service and our usual posies being handed out - please encourage others to come to this - it should be a lovely service. The youth will be singing the anthem on that day and some will also be involved in leading prayers.

We have a beautiful anthem for Easter that we hope to join in the adults with - please do let me know if you cannot make it to that service.
