March 2017

We are now looking forward to our annual Mothering Day Service which is more of a new venture this year with a newly designed service and our usual posies being handed out - please encourage others to come to this - it should be a lovely service. The youth will be singing the anthem on that day.

We have a beautiful anthem for Easter - go to choir resource webpage to listen - here is the direct link if you would like it: [https://www.youtube.com/watch?v=WJzXO\\_ehm00](https://www.youtube.com/watch?v=WJzXO_ehm00)

If anyone could assist with taking Brian home after rehearsals please would you sign up on the rota in the vestry - petrol is remunerated from Lewis. It would be a great help - the more who can join the rota the easier to manage it will be - Thank you in advance!
